**DELISLE BYLAW OFFICER** BOB MCCREA - 306-321-2617

**Bylaw Office Points**

With spring in the air it is time to think about some spring cleaning/maintenance points. I would like to ask all residents to do their part to keep Delisle looking good during the spring runoff.

1. Let's get out there and clean up the animal feces that was too cold to pick up during those frosty months. It can sure get smelly after a while!
2. How about picking up any debris/garbage that may have blown into the yard over winter and got frozen in. Oh, and do not forget about the back alleys as well.
3. If you have a drain near your place, and if you are able, perhaps make sure it is clear instead of letting water run down to your neighbor's yard. Put yourself in their shoes, would you like if it happened to you?
4. For those on a corner lot, have a look at your bushes to make sure they do not interfere with the line of sight of drivers approaching the intersection.

Those were just some quick reminders. If everyone does their best to take care of things, Delisle will always look awesome!

Thank-You,  
Bob McCrea, Delisle Bylaw Officer
