September 23rd, 2020

To: **ALL RESIDENTS OF THE
200 BLOCK OF 6TH AVENUE EAST**

Starting Monday, September 28th, Northern Blacktop will begin replacing the pavement and curbs on the 200 Block of 6th Avenue East. This work is estimated to take 2 to 3 weeks to complete.

Street parking and access to driveways and front garages will be severely limited during this time. Where available, we suggest parking in the alley behind your residence during this time period.

Weather permitting, work crews will begin at 7:00 A.M. and continue until 7:00 P.M. on a daily basis and potentially on weekends as well. Please make sure all vehicles are off the street or out of your garage or driveway if needed by 7:00 A.M.

During this construction period, garbage or recycling carts must be wheeled to the nearest intersection for pick-up. Please remember your cart number to ensure you retrieve your own cart after garbage pick-up has been completed.

Unfortunately, in order to undertake these upgrades, it will cause some inconvenience for the next few weeks. We ask for your co-operation as this new infrastructure is installed.

Yours truly,

Mark Dubkowski
Administrator
