

Delisle Arena COVID-19 Protocol

This document is outlining how the Delisle Arena is implementing measures to prevent the transmission of COVID-19 as the health and safety of guests and staff at the Delisle Arena remains our top priority. The Delisle Arena is aligning with provincial guidelines as well as national sporting body protocols for facility operations. All renters operating in the Delisle Arena must comply with the following protocol. Groups and participants found not following these protocols may be asked to leave.

COVID-19 droplet transmission is much more likely when individuals are in close contact. The likelihood of transmission between individuals participating in sport, physical activity and recreation in an indoor setting is significantly higher.

GENERAL GUIDELINES

- Stay home if you are sick. Those showing symptoms of COVID-19 are advised to contact the Saskatchewan Healthline at 811 for further guidance.
- Masks are now mandatory for everyone inside the facility. Players and on ice officials can only remove their mask once they are fully dressed in their equipment and ready to put on their helmet. When returning to the dressing room, players and on ice officials must immediately put their mask on as soon as their helmet is removed and before their equipment is taken off. Everyone else in the arena must keep their mask on the entire time they are in the building.
- The kitchen booth is closed until further notice.
- It is the renter's responsibility to ensure all guidelines are followed.
- The Town has adopted the Saskatchewan Hockey Association "Return to Hockey Safety Guidelines." For more details on these guidelines, please visit www.SHA.SK.CA/RETURNTOHOCKEY.

PROCEDURE FOR ENTERING THE BUILDING

- Players and officials shall enter the arena from the Front entrance (south side) and immediately proceed to their assigned dressing room. They shall exit the building through the dressing room corridor door (east side). This promotes a one-way flow of foot traffic through the building and enhances social distancing. Attached is a map of the arena showing how foot traffic should proceed.
- Spectators shall also enter the arena from the Front entrance (south side). They may proceed to the Lobby area or the stands on the west side of the ice surface through the west lobby doors. Spectators shall also exit through the Front entrance doors.
- Use the hand sanitizer at the front entrance prior to continuing into the building.

RENTER EXPECTATION

- Renters have a responsibility for tracing, monitoring, and screening their participants upon arrival at the facility. Screening questions can be found online at www.saskatchewan.ca/covid19.
- All coaches/trainers and off ice officials shall wear a mask at all times.
- Players are encouraged to come dressed to the Arena but if it is not feasible, they can be allowed to dress and undress in the dressing rooms.
- Only players/users are allowed in the dressing room along with coaches, managers, trainers and officials (i.e. no parents, guardians, siblings, etc.). Users must immediately proceed to their assigned dressing room. Players requiring assistance getting ready will need to rely on the coaching staff. All users must exit the building using the east door in the dressing room corridor.
- Arrive at the facility no more than **30 minutes before** your scheduled time. Proceed immediately to your assigned dressing room. Stay in your dressing room until any current group on the ice has returned to their dressing room. You may then proceed to the ice surface providing the ice surface is available for use. Players are NOT to line up at the gates awaiting their ice time.

- Use of dressing room showers shall be permitted for **games only** of adult teams (i.e. Chiefs, Senior Bruins, Adult Recreation Teams). For the Chiefs and Senior Bruins, the game must be sanctioned through the Saskatchewan Hockey Association. Use of the showers will be extended to players and on ice officials. All Saskatchewan Hockey Association protocols shall be followed in conjunction with the shower use. Dressing room shower use **will not apply** to Minor Hockey or other users at this time unless written approval is given by the Town of Delisle.
- Attendees must vacate the facility with 15 minutes after their assigned ice time to allow staff time to disinfect the space prior to the next group.
- We request that players ensure the dressing rooms are cleaned up with no garbage or items left in the rooms, this will aid our staff to sanitize the dressing rooms in an efficient and timely manner.
- Renters and program participants are encouraged to bring full water bottles. Drinking fountains are not available. **Do not share water bottles with other participants.**
- No usage of the ice surface shall exceed the gathering limits in the public health order. Teams will need to be aware of the latest protocols and limits set by the provincial government as it pertains to arena ice surfaces.
- Shared equipment should be cleaned and disinfected after contact between individuals, even when not visibly dirty.
- Volunteers working the score clock will be required to sanitize their hands before and after use.

SPECTATORS

- A maximum of 150 spectators will be allowed in the arena at any one time. Renters will be responsible to make sure this limit is not exceeded. Spectators will be allowed in the Lobby and the Stands on the west side of the ice surface. The stands can only be accessed by the west Lobby doors. No spectators are allowed to use the east lobby doors. **The east lobby doors are for players and officials only!**
- Spectators shall observe the social distancing protocols as outlined in the Saskatchewan Hockey Association's "Return to Hockey Safety Guidelines."

PLAYER CONDUCT

- Spitting (includes seeds, tobacco, and fluids) and other similar activities increase the risk of transmission of COVID-19 and are not permitted.
- Individuals must not share personal items (i.e. equipment or beverage containers).
- Congratulatory gestures such as high fives and handshakes are not permitted.
- Participants and players, staff, coaches, and volunteers should try to minimize cheering and whistling as much as possible to control the spread of COVID-19.
- Modifications to activities that limit physical contact are recommended.

STAFF

- Arena staff will clean and disinfect change rooms between each renter.
- Arena staff will disinfect all high-touch surfaces throughout their shifts.

It will be the renter's responsibility to forward the rules of the Delisle Arena to the parents and participants and ensure they are following them.

Please note that guidelines may change, should that happen an updated document will be forwarded to the user.

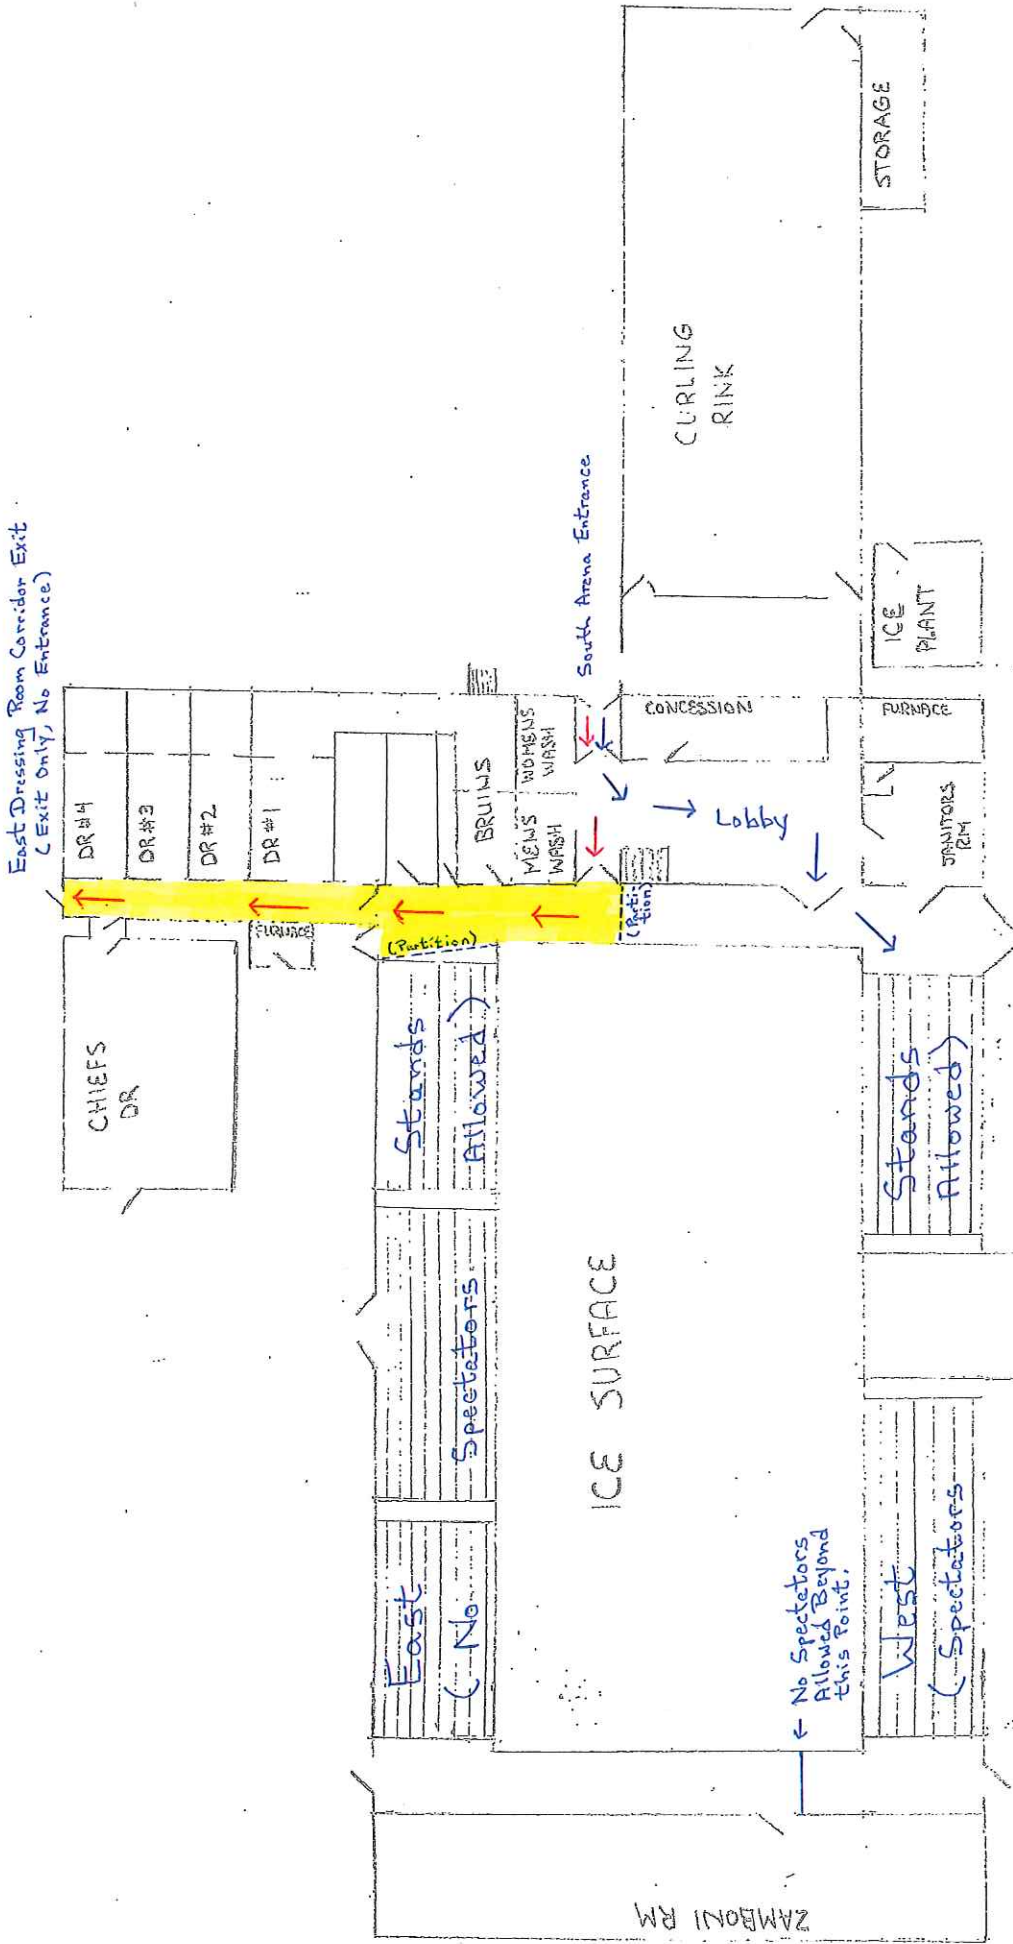

It is the renter's responsibilities to ensure all Saskatchewan Re-Open Guidelines are followed. Further information can be found at www.saskatchewan.ca/COVID19.
