What is It? - The Delisle Angel Tree

Program provides individuals and families in our community with greatly needed items that they may not otherwise have access to this holiday season.

Those who accept nominations are asked to supply a list of NEED items as well as one or two WANT items. Food hampers are also put together and distributed as needed. Please note - all personal and contact information will be kept strictly confidential.

A Christmas tree will be on display at Hub International (209 1 St W, Delisle) with angel tags hung on the tree listing the needs and wants. People from the community are invited to stop in, pick up the tags and purchase the items.

The program will open up to Community Angels on December 1st at which point the tags will be hanging on the tree ready to be picked up. Community Angels will then bring the wrapped gifts back to the Hub International no later than December 15th.
