### Delisle Community RCMP Detachment

Delisle Community Detachment is located at 201 1<sup>st</sup> St. West in the same building as the Town Office and Wheatland Library. Delisle Detachment is amalgamated with Martensville, Radisson and Warman with a total complement of 33 sworn officers, one community constable and 6 civilian support staff.

The Detachment provides 24 hour policing coverage and encompasses much of the area surrounding Saskatoon to the north and west. This includes the RMs of Corman Park, Vanscoy, Montrose, Great Bend, Mayfield and all of the cities and towns within those boundaries, except for the Town of Dalmeny, which has its own police service. **The RCMP encourages the general public to contact them whenever there are policing issues; e.g. traffic violations, theft, vandalism, etc. If citizens do not contact the RCMP, the RCMP are not aware of the problem and are therefore unable to allocate manpower to the problem or the area.**

Criminal record checks for employment or volunteer purposes are available. If you live in the Delisle area, you must apply for the record check at Delisle. You may go to Martensville or Warman office if you are unable to attend the Delisle office during their open hours. However, be aware that there is a \$40 fee charged at both of these locations for all criminal record checks and vulnerable sector checks for employment purposes. **For volunteer positions at ALL LOCATIONS you must present a letter or email from the organization you are volunteering with in order to get the record check at no cost. YOU CANNOT HAVE IT DONE IN SASKATOON!!!** You must appear in person with 2 pieces of valid government issued identification (e.g.; driver's licence, health card, passport). Please make sure to apply for your record check well in advance of when you need it as delays do exist.

Delisle office hours are Tuesdays and Thursdays 8:30 am- 12:30 pm and 1:30 to 4:30p.m. Please call ahead to ensure the office is open as unscheduled closures do occur on occasion

**Non-emergency calls can be made to (306) 493-3240 or 310-7267  
 Emergencies should be communicated through 911.**

# A Message from the Mayor

Hello Delisle!

With more than a year since we've had restrictions, it is wonderful to see people becoming comfortable in their lives again and moving through their days with confidence. Coming out of such a challenging time has strained the resources of our society. As you go through your days, remember that there are people who may need a little support to bounce back from our past challenges. Be kind, caring and show compassion.

We are excited to see the utilization of our facilities around town! The ball park is once again bustling with activities and so many minor ball teams! The splash park has been a huge hit for our children (and adults!) and has become a gathering place for all. I hope you've had a chance to try out the paved walking paths around Harold Worth Park – what a great upgrade! Through our long winter, the rink seems to attract everyone, providing gathering space to cheer on our youth. We are so grateful to have amazing recreational facilities in our community and count ourselves lucky to have the biggest challenge be how to schedule everything!

Our outdoor social calendar has started off great with the annual garage sale in May, followed by the Seniors' Centre 30<sup>th</sup> anniversary and of course, our annual graduation ceremony, taking place at the rink again. We are eager to see ball tournaments, the car show, the rodeo and many other activities in our community through the summer months and to cap off the season with our annual Fall Festival in September.

This summer, our road work will continue on Railway Avenue, continuing resurfacing on the portion west of 1<sup>st</sup> Street West. It will be smooth enough for skateboarding, but please remember this is not a safe place to skateboard, nor is it a place to be parking. With the large trucks using Railway Avenue to proceed through town, it is important that parked vehicles are not obscuring sight lines.

One of our greatest challenges this year stems from the Fire Commission. With the RM of Vanscoy indicating an intention to withdraw from the Commission, it creates a financial challenge for the Town of Delisle and the Village of Vanscoy. Rest assured that the Town and the Village are committed to working together to ensure that fire services remain strong in our community. We do not yet know if that means working through mediation with the RM or forging a new path without the RM, but we will provide fire protection services for our community. We are grateful for our incredible volunteers on the Fire Department and appreciate the leadership of our Fire Chief. Their continued service through this uncertainty is truly valued.

As we grow more comfortable in our normal again, I encourage you to go out and be social. Enjoy your neighbours, gather with friends, go for a walk and cheer on our youth in their activities. We are blessed to live in a vibrant community where growth and balance thrive and we are lucky to have each other on our journey through life.

Cary Brunett-Mayor

Delisle Minor Hockey Association (DMHA) believes in promoting and encouraging children to learn the value of fair play through the sport of hockey. DMHA provides a hockey experience for children ages 4 to 17.

We offer a first year, U7 introductory fee of \$150. This gives young children the chance to try hockey. This hockey is about fun, learning confidence, fair play, teamwork and sportsmanship.

We have male and female teams with much growth in the female division.

Because of this growth we are able to provide U9 to U15 female only teams. Our Co-ed teams run U7 to U18 with tiering taking place in U11 to U18 age divisions.

Hockey season generally begins in October with the season wrapping up by the end of March.

DMHA holds registration in the month of May each year and is completed by June 15. Exceptions can be looked at for new arrivals to town and junior team registrations.

For information please contact the DMHA via email at [dmha1@gmail.com](mailto:dmha1@gmail.com) or visit [delisleminorhockey.com](http://delisleminorhockey.com)

## Delisle Minor Ball Association (Softball)

DMBA offers softball programming for both boys and girls, age 3—17. Our focus is to offer age appropriate activities to support athletes of all skill levels while having fun, creating lifelong friendships, encouraging positivity, respect, drive and instilling the love of the game.

Over the years, many of our athletes have gone on to win medals at the Provincial, Western Canadian and National levels. We could not be prouder of them!

**Registration Information**—Registration takes place annually in January and closes mid February for U11—U17 divisions. Registration closes for all younger divisions in March.

### **Programs Offered**

**Timbits softball/Eagle Creek League— U5—U11**—co-ed programming for children ages 3 to 11. They will learn the fundamentals of the game while having fun and building friendships.

**Saskatoon City League (Boy's) - U13—U17**- U13 and older play in the Saskatoon City League. Within this league Delisle is lucky enough to host home games in Delisle !

**Grand Slam League (Boy's) —U11-U17**—Boy's tournament league with teams from all over the province participating. This league is a great experience, playing competitive softball and growing as a team.

**Female Program— U11—U17**—New to 2023 is the development of a new girls league with participation from surrounding communities. Our goal is to continue to develop our female program and provide more opportunities for players to partake in tournaments and showcases offered across the province.

**Pitching clinics** DMBA offers a pitching clinic every spring to offer new and current pitchers the opportunity to learn/advance their skills.

**Umpires**—We couldn't do this without Umpires! If you are interested in taking an umpire clinic, please contact us for more information.

**Coaches**—We are always in need of coaches. If you would like to be a mentor to the young athletes of our community and make a positive difference in their lives, please contact us and we will provide you with all information required to start your coaching career!

# Delisle PRIDE FASTBALL

The Delisle Pride ball club was founded in 2015 with the goal of forming a team that would compete with the best in the country. We play in the Saskatoon Amateur Softball Association (SASA) our schedule is available at [sasasoftball.ca/games](http://sasasoftball.ca/games).

In our short history we have had a fair amount of success. We won Provincial gold medals in 2016, 2017 & 2019 as well as Canadian National Championship silver medals in both 2016 & 2019. Our goal is to win a National title in the U23 Men's division. In 2022 we attended the National Championship in Carp, ON., and after a tumultuous start to our journey, with losing our equipment in transit we were able to overcome and come home with a Bronze Medal. We will try again in Saskatoon 2023.

Our team has strived to represent the town of Delisle and the district with class and respect, while showcasing the rural work ethic they have all grown up with. The Pride are very proud of where we come from and thank all those who have supported us in the business community and our area citizens as we continue to strive for a national title.

4-H is a club-based youth organization for youth ages 6-21. We focus on hands-on, experiential learning opportunities. Youth choose one or more projects to complete throughout their 4-H year, all the while learning new skills and having fun! "Learn to do by doing!"

## LAURA MULTIPLE 4-H CLUB

Projects in our club vary from year to year depending on the interests of the members. The past year's projects included Archery, Cloverbuds (6-8 year olds), Outdoor Living, Cake Decorating, Photography and Mechanics. If we have a member interested in a project, we will try to find a leader for that project.

Monthly general meetings will be held. We also try to have fun activities a few times a year. Project meetings are held at times and locations determined by the project leaders (usually about once a month).

*Registration will be held in September. Watch for posters for date and time! Achievement Day is usually in June, where we display what we've worked on throughout the year.*
