COMPOST

Pick-up will be October 10th & October 24th for COMPOST & GARDEN WASTE.

Garden waste will be collected during compost pickup without any need to package the garden waste. The Town will collect garden waste provided it is in a convenient area in the back alley. This service is for garden waste only.

Compost will be picked up in the back alley and should be in a 17-gallon capacity plastic or metal can. Grass clippings must still be in an open container that can be easily dumped. If you do not have back alley access, compost may be placed on the front street.

COUNCIL HIGHLIGHTS

Town Council held a regular meeting on Sept. 12th.

The following committee changes were made:
