

What would you like to concentrate on first?

1. Housing (multi-family)
 - a. Smaller square footage for younger families
2. Ice plant
 - a. Backup plan if it doesn't run
3. Maintain current infrastructure and street, keep up with repairs
4. Condo for seniors (55+), senior living
5. Make appeal for investors to develop
6. Pressure on school, clean up, build something new

Would you like to see any new associations?

1. Crops for Communities
2. InterAgency Committee to coordinate events (*already in place*)
3. Getting seniors involved / volunteering
4. Review who we can lean on and drum up new volunteers

Where do you see Delisle....

In the next 3 years

- Health Center staffed better
- New ice plant
- More police presence & patrols (speeding)
- Senior Condo built
- Encourage population growth (housing, residential, multi-family)
- Supporting business growth
- Provide supporting amenities for seniors
- Two ice services

In the next 10 years

- Upgrade to water infrastructure, roads repaired
- More investors to develop commercial and residential (multi-family)
- New schools

In the long-term future?

- Indoor rink
- New elementary school
- Expansion
