Thurs. Oct. 9 – RECYCLE

Thurs. Oct. 16 – GARBAGE

Thurs. Oct. 23 – RECYCLE

Thurs. Oct. 30 - GARBAGE

COMPOST

Pick-up will be October 7th for COMPOST & 21st for COMPOST & GARDEN WASTE. Compost will be picked up in the back alley and should be in a 17-gallon plastic or metal can. Grass clippings must still be in an open container that can be easily dumped. If you do not have back alley access, compost may be placed on the front street.

Garden waste will be collected during compost pickup without any need to package the garden waste. The Town will collect garden waste provided it is in a convenient area in the back alley. This service is only for garden waste and only available on OCT 21st this will be the last pickup of the season, weather permitting.

COUNCIL HIGHLIGHTS

Council held a regular meeting on September 11th at 7pm during which the following items were addressed:

- Council received a delegation from the High School concerning the 2026 graduation.
- Council approved the quotation for the purchase and delivery of shale from Colored Shale Products in the amount of \$12,704.80 plus GST.
- Council approved the quotation for the design and engineering of 3 new residential lots from AECOM in the amount of \$15,600 plus GST.
- Council approved a donation to the local Legion in the amount of \$250.
- Bylaw 9-2025, being a bylaw to fix water and sewer rates, was accepted resulting in a phased increase in water rates starting February 2026.
- Bylaw 10-2025, being a bylaw to amend Bylaw 9-2017, was accepted appointing the Corps of Commissionaires as municipal bylaw officers.

2024 Waterworks Financial Overview:

- Total water and sewer revenues (R) - \$469,964
 - Total water and sewer expenditures (E) - \$380,366
 - Total debt payments on waterworks/sewage infrastructure loans (D) - Nil
 - Comparison of water & sewer revenues to expenses plus debt payments expressed as a ratio –
 $\$469,964 / \$380,366 + (\$0) = 1.24$
- For 2024, water and sewer revenues covered 124% of water and sewer expenditures.
- This ratio is not a true depiction of 2024 utility revenues versus expenses because it includes \$84,541 in capital grant revenues received but excludes \$132,360 in expenses which were paid in 2024 however are amortized over the life of the asset.
- In reality (cash accounting), utility revenues versus expenditures resulted in a deficit of \$42,762.
- The following additional information is available for inspection at the municipal office on the waterworks:
- The August 14, 2024 waterworks rate policy and capital investment strategy.
 - Capital plans in place and related sources of funding for the projects.
 - 2024 financial overview of the waterworks.
 - Information on any waterworks reserves.
 - At a cost of \$30.00, a copy of the 2016 waterworks assessment.
