Delisle and District Health Council
Minutes
September 3, 2026

PRESENT: Deb Winder (Town of Delisle), Brandon Little (RM of Vanscoy), Liana Larson (RM of Vanscoy), Judy Curren (RM of Montrose), Jodie Griffiths (RM of Montrose), Robin Odnokon (Village of Vanscoy), Mark Dubkowski (Secretary Treasurer).

GUESTS: Darcy Parker (First Responders)

Deb Winder called the meeting to order at 7:00 P.M.

DELEGATIONS:

a) **Sask. Health Authority**
No one was in attendance but a written report was provided. Highlights from the report include Brittany Curtis replacing Mandy Walters as Manager, Dr. Jaden Shewchuk will be providing chiropractic services at the Health Centre starting in September and Covid/Flu shots will be provided at the Health Centre this fall.

b) **First Responders**
The attached report was read by Darcy Parker.

One item that garnered more discussion was the future replacement of AED's. For budgeting purposes, it was recommended that 3 AED's be replaced in 2027 by placing an order next March. When the order is placed, it will be determined if the Health Council will bear all the cost or if the First Responders might pay for part of it. There will also be additional AED's replaced but at the cost of outside third parties.

OLD BUSINESS

We will be working with SHA in the next few months for them to renew the lease on the building for another 5 years. The current lease expires this coming January.

Delmar Vandenameele has agreed to maintain the area outside the Health Centre building, mainly weed control and sidewalk snow removal. The Health Council will pay Delmar for these services when invoiced and will recover these costs from SHA.

Deb Winder will be running a booth at the Career Fair at Dakota Dunes in the hope of recruiting another part-time physician. If she is unable to attend, then Shelley Worth will step in to replace her.

NEW BUSINESS

Abigail Dubkowski, a registered nurse who lives in Delisle, is interested in taking the training to become a Nurse Practitioner with the intention of working at the Delisle Health Centre. There are currently no incentives available from SHA to do this. The Nurse Practitioner training is a 2 year program with a total tuition cost of $15,000. If the Health Council would cover her tuition under some kind of repayment plan, she would guarantee 5 years of service at the Delisle Health Centre as a Nurse Practitioner. Deb Winder has encountered all kinds of difficulty with SHA as to whether this is possible or not. In the meantime, the member municipalities of the Health Council are asked if they would consider such an arrangement.

Our insurance agent with H.K. Henderson has been replaced by Ryan Reidy. As part of this change, there will be some revisions to our policy including recognizing that the Health Centre building is a steel structure, not a wood structure as previously assessed.

ADJOURNMENT

MOTION: Moved by Liana Larson that the meeting be adjourned at 7:32 P.M. Carried.

Next Meeting – November 5, 2026, 7:00 P.M.
